## EDUCATION

2019 - 2023	Bachelor of Engineering (E&TC) at SPPU	(CGPA: 8.67/10.0)
2017 - 2019	HSC at Sir. Dr. M S Gosavi Junior College, Nashik	(68.00%)
2016 - 2017	SSC at Boys Town Public School, Nashik	(87.30%)

## SKILLS

<b>Programming Languages</b>	Python, C, C++, Java, SQL, PHP
<b>Libraries</b>	Numpy, Pandas, Matplotlib, SciPy, OpenCV, Tensor Flow, PyTorch
<b>Scripts / Frameworks</b>	HTML, CSS, JavaScript, Figma, React.js, Django
<b>Cloud Technology</b>	AWS (Cloud Practitioner)
<b>Softwares</b>	Matlab, Simulink, Solid Works, Microsoft Office, Microsoft Dynamics (CRM)
<b>Other</b>	Effective : Leadership, Time management, Adaptability, Problem-solving

## WORK EXPERIENCE

**Kavruk Technologies - Co-founder** June 2022 - Present

- **Leadership & Vision** : Founded Kavruk Technologies, setting its vision and strategic direction in product development and innovation.
- **Business Growth & Collaboration**: Fostered partnerships, driving business expansion and client relations for dynamic product development.
- **Product Innovation**: Directed end-to-end product development, ensuring quality, standards, and user satisfaction.

**Team Lead - Team Phalanx EV Club** Mar 2021 - Dec 2022

- **Technical Leadership & Innovation** : Led team innovating electric vehicles and go-karts, reshaping the automobile industry.
- **Project Management & Safety Adherence**: Managed team, offering guidance, ensuring project success and safety standards in EV development.
- **Collaborative Development Oversight**: Orchestrated collaborative efforts, ensuring efficient and innovative electric vehicle design within a collegiate setting..

## PROJECTS

**Electric Vehicle Design and Manufacturing** [View More](#)

led the design and manufacture of an electric vehicle prototype, focusing on sustainable technologies. Managed activities promoting clean transportation for a greener future.

**Go-Kart Design & Development** [View More](#)

Directed the design and development of a high-performance petrol engine go-kart prototype, prioritizing speed and agility for thrilling racing experiences.
